

SIMPLE GREEN® LIME SCALE REMOVER

Organic salt formula for removing lime scale, soap scum and mineral deposits

APPLICATIONS

- Removes even long-term scale and scum build-up from a variety of surfaces including porcelain, ceramic tile, glass, aluminum, stainless steel, chrome and more
- Descales equipment including HVAC components, pipes, hoses, tanks, storage systems, spray rack systems, washing machines and more
- Eliminates mineral deposits throughout kitchens and break rooms including sinks, faucets, drinking fountains, coffee pots and dishwashers
- Removes soap scum and water stains from bathrooms, locker rooms, spas and beauty facilities including sinks, toilets, drains, showers, steam rooms and saunas
- Increases efficiency and restores clarity to landscaping equipment and building exteriors including spigots, sprinklers, lighting, windows, furniture and more

UNIQUE FEATURES

- Buffered organic salt formula won't strip protective finishes, cause discoloration, or etch sensitive surfaces like other descalers
- Bleach, ammonia and phosphorous free
- Powerful enough to remove even tough, built-up mineral deposits, hard water stains, soap scum and oxidation
- Use on drains and pipes including ABS, PVC, copper & others
- VOC compliant, non-fuming formula
- Non-abrasive and non-flammable
- Deodorizing wintergreen scent

INSTRUCTIONS FOR USE

Always spot test on a hidden area first.

1. Spray onto surface, apply with a damp sponge or cloth, or immerse item in product.
2. Scrub around fixtures with a stiff, non-metallic brush to loosen heavy deposit build-up.
3. Immediately rinse thoroughly for shiny, clean results.
